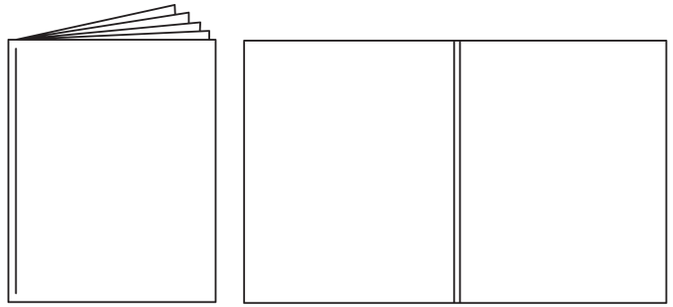
Bleed Area
You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

Cut Line
This is where we aim to cut your design to the finished size. Any part of your design placed outside this area will be cut off.

Margin
The margin is 7mm inside of the cut line. Make sure all important elements and text are kept outside this blue area.

Spine
The binding edge of your booklet. You can add graphics and text to here or have an image/background running across your cover.

Back Cover



A5 Portrait Perfect Bound

210mm x 148mm Finished Size
216mm x 154mm With Bleed

Front Cover
